The Driver Education Course*

This package qualifies for the Massachusetts Driver Education Certificate of Completion

- **30 Hours of Classroom Instruction:** This prepares the student to learn the Rules of the Road, and to safely and effectively meet the challenges of driving in today's environment.
- **12 Hours of Behind-the-Wheel Instruction:** This driving instruction brings the classroom concepts to life. Students learn the basic mechanics of how to drive an automobile safely and confidently. It is important for a student to start their driving lessons as soon as possible so they can finish prior to their eligibility date.
- **6 Hours of Observation Instruction:** Observation provides a format for students to learn from another driver's experiences.
- **2 Hour Parent Orientation Class:** This class is required to be completed by a parent or guardian before a student can begin their driving hours. This required class educates about the content of the Driver Education Curriculum, the Junior Operator Law (JOL) and driving skills and behaviors their teen will learn. Coaching and mentoring safe and skilled drivers will be strongly encouraged.
 - Registration is mandatory and seats are limited. 24-hour notice is required to cancel or reschedule to another date. If less than a 24-hour notice is received, your Parent Class fee will not be refunded or transferred to another class.
 - If you attended a Parent Class within the past 5 years, you do not need to attend again; however, your Parent Class Certificate will need to be emailed to contact@csdriving.com
- **40+ Hours of Supervised Driving:** JOL applicants are required to complete at least 40 hours of Supervised Driving with a Parent/Guardian or someone at least 21 years old with a valid license and at least one year of driving experience. Driving times and dates should be documented.

Payment

CS Driving School requires payment in full at the time of registration. Some locations allow a \$325 deposit to register. If your location does allow a deposit, the balance must be paid in full before the student's first instruction. CS Driving School will not request a Driver Education Certificate of Completion from the Registry of Motor Vehicles until the student has paid in full. Please see our website for more pricing information.

Refund Policy

You are entitled to a full refund minus a \$50 administrative fee before classroom or behind-the-wheel instruction is provided. A written request is required 24 hours prior to any scheduled service. CS Driving School will issue a refund within 30 days of your request. You will not be eligible for a full or partial refund once instruction on any package has been received. All services must be completed within two years of enrollment. After 90 days, no refunds will be issued, and services will be forfeited*.

Weather-Related Cancellations for Classroom Instruction & Behind-the-Wheel Lessons

If local schools are cancelled or dismissed early due to inclement weather, driver education classes will also be cancelled. We make every effort to keep Behind-the-Wheel lessons; however, safety is our priority. If your lesson is cancelled, the student will be notified, and a new lesson will be scheduled as soon as possible. Cancellation notices are placed on the Student Portal.

Classroom Instruction**

Attendance: Attendance is mandatory. A student will not be issued a Driver Education Certificate of Completion if missed classes have not been completed.

Absenteeism: We realize there may be times when an absence is unavoidable. Each missed class must be made up in another corresponding session. Students with more than three (3) outstanding classes will not be permitted to take the Final Exam until the missed classes have been completed. When needing to make-up a class, contact us at 781-891-0460 to find out when the class will be offered again and to see if there are available seats. Registration is mandatory for make-up classes.

Early Dismissal/Tardiness: We strongly discourage early dismissal/tardiness. A note must be given to the Instructor.

Conduct: Students must be respectful. We do not tolerate bullying, swearing or disruption in the classroom.

Classroom Final Exam: Students are required to have a properly maintained notebook; pass periodic quizzes given at the instructor's discretion and pass the Final Exam given on the last day of class with a score of no less than 80%. A student failing the Final Exam will be given the opportunity to take it a second time and the parents will be notified.

Behind-the-Wheel Lessons

Once you enter your Learner's Permit information into your Student Portal > Profile, you can begin scheduling your driving hours online. You may have to wait for your first lesson, so please make sure you plan ahead when scheduling lessons. We will pick up and drop off at school, home, or work, if your city/town is in one of our service areas. *Please note: Newton Community Education students require pick up and drop off from either Newton North or Newton South ONLY.*

Your original Learner's Permit is required for all driving and observation lessons and it must be shown when entering the car. If a student does not have their Learner's Permit, the lesson will be refused, and a \$60 fee will be charged. This fee must be paid before the student's next scheduled lesson.

Scheduling Policy: The Registry of Motor Vehicles requires that a student hold their Learner's Permit for six months (184 days), while consistently driving 40+ hours of supervised driving at home in order to successfully complete a Driver Education Program and be issued a Certificate of Completion. **Because of this requirement, our Behind-the-Wheel scheduling policy allows students to schedule one driving hour every 13 days.** This system has proven successful as it allows students to complete their 12 driving hours close to their eligibility date.

If a student has held their Learner's Permit for four months or longer, they can schedule lessons on the student portal and then send an email to request to be added to our Cancellation List. Additional lessons are not guaranteed but we will work with each individual situation.

In-Vehicle Rules: The use of seat belts is mandatory! Eating, drinking, smoking, use of cell phones, headsets and other electronic devices are not allowed. Please realize the difficulty our instructors experience with traffic.

10-Minute Rule: Please try to be on time for your appointments. Our instructors will wait up to 10 minutes for a student to arrive. Also, please allow 10 minutes past your scheduled time for pick up and drop off by your instructor. Traffic can cause scheduled pickup and drop off times to vary by a few minutes. Flexibility and patience is appreciated!

Cancellation Policy: We require 24-hour notice to cancel Behind-the-Wheel lessons. A \$60 fee will be charged if any lessons are cancelled with less than 24-hour notice. You are required to cancel lessons through your Student Portal (*preferred*) or by email to contact@csdriving.com. Voicemails are not accepted when canceling lessons. *Please note: A student will not be issued a Certificate of Completion if they have an outstanding balance on their account.*

A \$60 fee will be charged for the following reasons:

- Student does not appear for a scheduled lesson
- Student does not have their original Learner's Permit or glasses/contacts in their possession
- Any change in pick-up and/or drop off location
- If the student is more than 10 minutes late for their driving lesson.

Summer Policy: If a student has been registered for 12 months or longer with no activity during that time, the student will not be guaranteed driving hours during the summer months. No refund will be allowed after 90 days.

Newton Community Education – Behind-the-Wheel Policy: For students who register through Newton Community Education, you are agreeing to the "BUDDY SYSTEM." The City of Newton requires that our student drivers set up driving/observation lesson times with a BUDDY in the car; no student can drive alone with the instructor. It is the student's responsibility to find and bring along their BUDDY for each lesson. If you do not bring a BUDDY for your lesson, you will forfeit the hour and a \$60 late cancellation fee will be charged. Newton Community Education students require pick up and drop off from either Newton North or Newton South ONLY.

Observation Hours

Students must complete 6 Hours of Observation Instruction. Students will spend 30 minutes observing another student driver after each lesson. Over 12 hours, this totals the six required hours of Observation Instruction. These hours are automatically added after each driving hour, and you do not need to schedule these hours.
