

# SUMMERCAMP 2023

**Pick the option that best fits your schedule:**

## OPTION 1

Pick a half-day camp (we have half-day camps in both the morning and the afternoon).

## OPTION 2

Pick two half-day camps and make a day of it.\* †

## OPTION 3

Pick a full-day camp.\*

\* If you will be with us for the full day, please be sure to bring a bagged lunch!

† For children entering Kindergarten, only morning or full-day options are available at this time.

Register online on Sunday, January 29, 2023, and be entered to win \$250 off your camp registration.

All camps are held at Newton North High School, Newton South High School, or online. Some class details are still being finalized, please visit our website for the most updated descriptions and pricing.

### WEEK 1: JUNE 26-30, 2023

#### Morning Camps (8:30am-11:30am) GRADES

- Young Inventors K-2
- Hola! Spanish Intensive K-2
- Dodgeball K-5
- Soccer Summer Camp K-2
- YouTube Production 3-5
- Pokémon Engineering Using Lego® 2-5
- Lego® Adventures 2-5
- Pokémon Battle Club 2-5
- Campcasso Summer Art Program 2-5

## Five-Week Theater Camp

Grades 3-9 | July 10-August 11 | 9am-3:30pm | Newton North High School

Based on last year's success, we are again offering a 5-week musical theater summer camp. Get ready for an amazing summer full of music, dance, acting, and more! Together we'll build sets, play theater games, learn choreography, and sing our hearts out. We'll rehearse group numbers and scenes, and finish camp with a bang with three performances. Older students will hone musical skills, dance moves, and acting artistry in lead and supporting roles while mentoring elementary school students in the ensemble. Join us and meet like-minded friends in a fun-packed experience.

## Online Camps

We've partnered with two top online education platforms to provide interactive classes while maintaining FUN as the cornerstone of the learning journey.

**Coding with Kids:** A different tech camp every week, from June 26 to August 25. Scratch, Minecraft Modding, Python, Robotics, Roblox and more. Visit our website for more details!

**Ivy Camps USA:** Ivy Camps USA's programs are taught by instructors from top universities. Kickstart your future career with Intro to Engineering, Law, Medicine, Business and more. Visit our website for more details!
